# August Thorell
## Frontend Developer

## About Me

I'm a 25 year old Frondend Development student at Hyper Island with a great interest in coding. I love solving problems and have a interest in graphic design as well. Overall I'm an optimistic person who enjoys working with others and gladly embraces new challenges.

## Skills

### Coding
JavaScript (ES6, React, Gatsby, Node.js)
HTML
CSS
PHP

### Design
Figma
Adobe Photoshop
Adobe Illustrator
Blender
